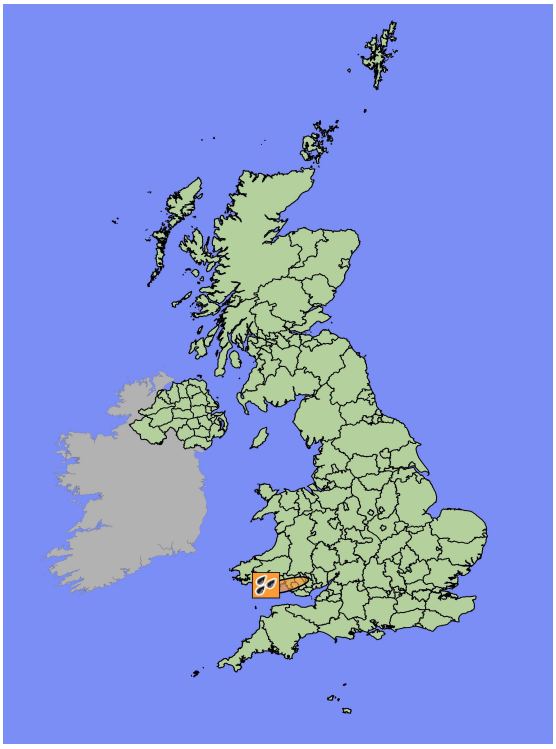
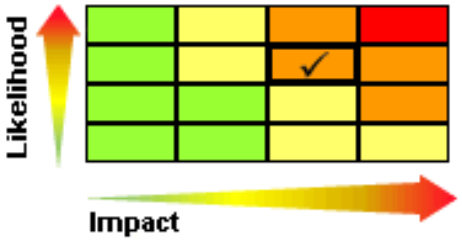
National Severe Weather Warning Service





Chief Forecasters Assessment
A deep depression will affect the UK on Tuesday bringing very wet and windy conditions for a time. Spells of rain, heavy at times, associated with this depression will affect Wales during the early hours and Tuesday morning with up to 60mm of rain falling in the wettest areas.

The Met Office have issued an **Amber Warning** of **Rain**

Valid from **02:00 on Tue, 03rd Jan 2012** until **11:00 on Tue, 03rd Jan 2012**

A spell of wet and very windy weather will affect Wales during Tuesday morning. The public should be aware of the possibility of disruption due to heavy rain, accompanied by strong winds, leading to localised flooding.
